2022 RIDING SCHOOL BIKES

The KTM logo is displayed in white, bold, italicized letters on a solid orange rectangular background in the bottom right corner of the image.

CHAMPIONS START HERE!

As the owner of a training school or as a motorcycle instructor, KTM training school packages offer you a range of attractive conditions for our new EURO 5-compliant KTM training, riding test and support vehicles.

Our DUKE models are extremely popular around the world with beginners as well as those getting back on their bikes. The agile KTM ADVENTURE models offer a comfortable entry into KTM's world of adventure for riding instructors and students. In typical KTM style, the equipment and design for both series are outstanding.

The electronic assistance systems provide all KTM DUKE and ADVENTURE riders with the ultimate performance, control and safety:

You can find more information on the assistance systems and driving school offers via the QR code shown.

We wish you a safe and successful season in 2022 for you and your learner riders!
